# Australian Animated Raceways

Description

This package contained Custom Scenery for Eastern Creek Raceway (A071), Hidden Valley Raceway (A072), Phillip Island Raceway (XYPIC), Sandown Raceway (A073), Wanneroo Raceway (A074) and Winton Raceway (A020) in Australia.
Each location has a small helipad and animated cars lapping on the tracks using Living Scenery Technology (LST) by X-Codr.
LST requires plugin to function.

Plugin Download
